WHEREAS, the Area is compact and contiguous, totally within the corporate limits of the Village; and

WHEREAS, the Area will benefit specially from the municipal services to be provided by the Village (the "Services"), and the Services are unique and in addition to the services provided to the Village as a whole, and it is, therefore, in the best interests of the Village that the establishment of the area be considered; and

SECTION ONE: INCORPORATION OF PREAMBLES

The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION TWO: ESTABLISHMENT OF SSA

- (a) That it is in the public interest that the territory hereinafter described in the Notice referred to in Section One hereof be established as Special Service Area No. 39 for the purposes set forth herein. An accurate map of said territory is attached hereto as Exhibit "A-1".
- (b) That said Area is compact and contiguous.
- (c) That said Area is zoned B-2 and will benefit specially from the municipal services which may be provided and that said proposed municipal services are unique and in addition to municipal services provided by the Village of Montgomery as a whole; and it is, therefore, in the best interest of said Area and the Village of Montgomery as a whole that special taxes be levied against said Area for the services to be provided.
- (d) That the Village of Montgomery Special Service Area No. 39 be and is hereby established for and with regard to the aforesaid territory.

SECTION THREE: PURPOSE OF SSA AND MAXIMUM LEVY

The purpose of the formation of Special Service Area No. 39 in general is to authorize the maintenance, repair and replacement of all private roads, streets, parking lot areas, sidewalks, walkways, bike paths, curbing, lighting, neighborhood monument signage or similar markers, and any and all other open spaces within the designated area, as well as to authorize the implementation and continuation of a mosquito abatement program in the Special Service Area. This authorization for maintenance, repair and replacement shall also extend to storm water detention basins, Special Management Areas, storm sewer, and related areas and appurtenances, both on and off site.

It is further provided that all necessary landscaping, including, but not limited to, mowing, fertilizing, pruning and trimming of trees and bushes, maintenance (including removal and replacement), repair of any berm, and any and all other natural landscaping shall be encompassed within this purpose. The proposed municipal services herein are unique and are in addition to those provided by the Village generally. All actions performed pursuant to this provision shall be completed in accordance with the final engineering plan and final plat of subdivision for the Area, as well as any applicable Village Ordinance and/or State and Federal law.

Annual taxes shall be assessed and levied for said special municipal services in said Area, on property in said Area in addition to all other municipal taxes; provided that the special annual tax shall be levied upon the equalized assessed value of the property in said Area in an amount not to exceed annual rate of one-hundred and ten one-hundredths percent (1.1%, being 110¢ per \$100) of the equalized assessed valuation thereof. This tax shall be levied for an indefinite period of time commencing during and in the years subsequent to the date of this Ordinance, as hereinafter provided. Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code. Notwithstanding the foregoing, taxes shall not be levied hereunder and said Area shall be "dormant", and shall take effect only if the applicable owners association or property owner fails to maintain, repair or replace the aforesaid required items and the Village chooses to assume some of all of said responsibilities. The Village shall not activate the Special Service Area unless the Village has given the landowner 30 days prior written notice of the defects complained of (via certified mail) to the property address, and an additional 30 days has thereafter expired in which the responsibilities of the landowner have not been fulfilled (or substantial action has not been taken, if complete compliance would reasonably take more than 30 days). However, the Village may annually levy hereunder up to the maximum rate specified herein for the cost for the said services, as said services become necessary and are provided for.

SECTION FOUR:

That this ordinance shall be in full force and effect, and shall be controlling, upon its passage and approval.

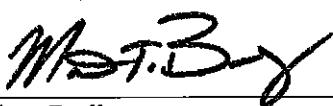

SECTION FIVE:

That all ordinances or parts of ordinances thereof in conflict therewith are hereby repealed to the extent of any such conflict.

SECTION SIX:

That any section or provision of this ordinance that is construed to be invalid or void shall not affect the remaining sections or provisions which shall remain in full force and effect thereafter.

PASSED AND APPROVED by the President and Board of Trustees of the Village of Montgomery, Kane and Kendall Counties, Illinois, this 12th day of August, 2016.
