

## Helpful websites to locate Solar Array installers or contractors:

North American Board of Certified Energy Practitioners\*

North American Board of Certified Energy Practitioners (NABCEP) national certification organization for professionals in the field of renewable energy. NABCEP offers certifications and credentials for skilled professionals, specialists and those new to working in the areas of photovoltaics, solar heating, and small wind technologies. <https://www.nabcep.org/nabcep-professionals/>

Illinois Solar Energy Association\*

Illinois Solar Energy Association is a non-profit group that advocates for sustainable living and 100% renewable energy by sharing information, events and resources to cultivate community and power progress. <https://illinoisolar.org/>

*\*The Village of Montgomery does not advocate any single group or contractor, those listed are intended only to assist in the location of information for interested homeowners.*
