

Brick Paver Program

The Historic Preservation Commission coordinates the sale of engraved stone pavers installed on the pathway around Settler's Cottage on the east side of Village Hall (200 N. River St.). This program is an opportunity for families and businesses to leave a permanent mark in Montgomery or pay tribute and honor a loved one who was once a resident of the Village.

Two sizes of pavers are available for sale. Individuals or families may purchase small or large stones, but businesses may only purchase the larger ones. Engraved bricks are randomly placed in the path; purchasers cannot request a specific location.

All funds raised through this program support the restoration and maintenance of Settler's Cottage and other ongoing preservation of history within the Village of Montgomery.
