Brick Paver Program

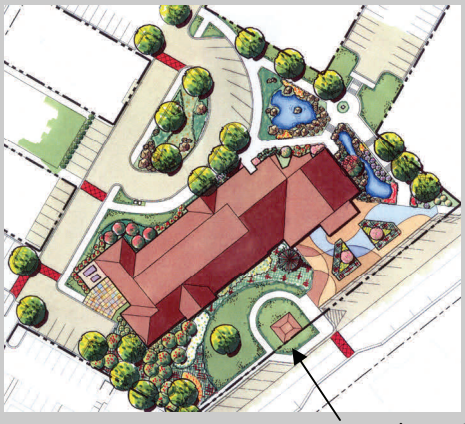
Coordinated by the
Historic Preservation Commission
of the
Village of Montgomery

Brick Paver Program

The Historic Preservation Commission is coordinating the sale of engraved stone pavers that will be installed in a pathway around Settler's Cottage on the site of the new Village Hall. This is a great opportunity for families and businesses to leave a permanent mark in Montgomery.

Two sizes of pavers are available for sale. Families or individuals may purchase either size, while businesses may purchase the larger stone only. Engraved bricks will be randomly placed in the path and purchasers may not select a specific location for their bricks.

All funds raised through this program will be used for the restoration of Settler's Cottage and other historic preservation activities within the Village.



Settler's Cottage
