

Village of Montgomery Community Map

Dear Village Member,

The Village of Montgomery has partnered with Town Square Publications to produce our Village of Montgomery Community Map. This publication will help you market your business directly to area business owners, neighborhood residents and visitors.

The Village of Montgomery Community Map is a remarkable advertising tool, highly visible and is a publication that businesses and residents keep on hand for easy reference.

In addition, the Village of Montgomery Community Map will be replicated online via the [Village's website](#) and Town Square's National Profile Network, further extending the exposure of your advertising message and increasing your search engine optimization.

Don't miss the opportunity to promote your business to residents and business owners!
