## Community First

*The people residing in the Village, the people running the Village, and the champions supporting the Village are the central focus of what we do every day.*

### Mayor's Message - Matt Brolley

On July 14, the Village of Montgomery Police, Public Works, and Village Hall buildings raised green flags, and staff wore green ribbons or shirts to draw awareness of Adrenocortical Carcinoma. Additionally, the Board wore green at the July 25 meeting and set small green flags on each seat to show their continued support for our Village employee's husband (a former Montgomery resident) recently diagnosed with this very rare cancer affecting less than one out of every million individuals. Finally, on August 31, the staff hosted a blood drive, and more than 70 people came forward to donate blood, collecting enough to save approximately 210 lives in his honor.

During Montgomery Fest, volunteers and staff worked tirelessly to execute a successful beer tent operation to raise funds for the Montgomery Foundation, a 501(c)3, whose mission is to support and service Montgomery residents in need. The Foundation gives money back to the community through scholarships, grants, assistance, and support for programs such as the Shop with a Cop in December. The Foundation's first and foremost objective is to assist and support our community.

I share these accolades to demonstrate the caliber of employees and volunteers we have working hard on behalf of our Village. They demonstrate integrity, compassion, and selflessness. They are loyal, team-oriented, and understand the importance of the individual. They know the importance of giving back and supporting those in need. I am proud to work with these men and women who choose civic service as a career and volunteerism as an extracurricular. I am pleased that our Village puts our Montgomery community first. The people residing in the Village, the people running the Village, and the champions supporting the Village are the central focus of what we do every day. We should all be proud to be a part of this fantastic community.

## Property Tax 2021 Rebate Program

The Village's Property Tax Rebate program is back for the 8th year. The program provides qualifying residential properties a \$45 refund of property taxes paid to the Village. Like last year, the application will be available on the Village's website ([montgomeryil.org](http://montgomeryil.org)), and residents can elect a credit on their water bill or a paper check. The online application process opens on or about October 15 and closes on December 31. Paper applications are available upon request only. The application requires a copy of your county property tax bill (Kane or Kendall) when filling out the form. Staff is available at Village Hall (200 N River St) to assist residents with completing the online application. Qualifications for the program include: property taxes paid to the Village of Montgomery, property tax and utility accounts are current, applicant-owned property for all of the calendar year 2021, and the applicant is property owner (renters do not qualify).

**In 2021, the Village Board authorized a \$45 rebate as a check or water bill credit for 1,430 residents. This program returned \$64,350 in 2020 tax dollars to the Montgomery residents we serve.**

## LEAF COLLECTION ON OCT. 24, 31 & NOV. 7, 14, 21

Crews will make one pass through the Village on October 24, 31, November 7, 14, and 21. Additional pickups will continue as needed until the end of November. Crews cannot vacuum the leaves within 10' of a tree, mailbox, fire hydrant, street light, or street sign. Do not park cars in front of the leaves to be collected, as the leaf vac will not reach them. Additionally, the Village's refuse hauler, LRS, will pick up leaves each week on your regularly scheduled collection day for no charge through December 2. Leaves must be in yard waste bags or marked 32-gallon yard waste cans.

In addition, any community members interested in donating unexpired non-perishable food may drop it off on the pantry shelves Monday through Friday between 8:30A-4:30P.
